HELPFUL HINTS

SAVE MONEY
Order early on FreemanOnline to take advantage of advance order discount rates, place your order by DECEMBER 13, 2019.

AVOID DELAY
Ship early to avoid delays. Shipments arriving late at show site will cost you money, time and business!

SAFETY TIPS
Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for your booth. This can cause serious injury or damage to materials.

We discourage children from being in the exhibit hall during installation and dismantle. If children are present during installation and dismantle, they must be supervised by an adult at all times.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

The operation or use of all motorized lifts and motorized material handling equipment for installation/dismantle of exhibits is NOT permitted by exhibitors or by their exhibitor appointed contractors (EAC’s). Thank you for your cooperation.

Interested in going green and saving money?

Follow these tips to make sure your sustainable booth strategies are cost-neutral or even cost-saving! Leave an impact on the show floor, not the environment.

**BEFORE THE SHOW**

**1. Booth Structure**

**Option 1 Multiple Use**
Use Forest Sustainable Certified (FSC) wood to build your booth and crates.

Get creative! Design your booth with a small shipping footprint to minimize carbon emissions. Freeman’s eye-catching stretch-fabric booth designs pack up small (and light!) for shipping.

**Option 2 One-time Use**
Rent locally from nearby Freeman offices to reduce both shipping costs and carbon emissions.

**2. Carpet**

**Option 1 Rent**
Rent rather than buy carpet to save on shipping, cleaning, and storage. Freeman Classic carpet can be reused at least four times.

**Option 2 Color**
Use darker-colored carpet, which is easier to reuse and recycle. Freeman Classic dark-colored carpets are made of 20-50 percent recycled content.

**3. Shipping**

**Online + before deadline = better bottom line.**
Take advantage of early-bird pricing and consolidate shipping when ordering supplies.

**Choose reusable shipping padding.**
Avoid packing peanuts and foam plastic materials that never decompose.

**Ship early.**
Use the 30-day policy to ship materials to the Freeman advance warehouse.

**4. Graphics**

**Option 1 Multiple Use**
Print on a durable substrate without dates, event names, or locations.

**Option 2 One-time Use**
Print on 100 percent recyclable materials like Freeman Honeycomb and Smartbuild Eco, which are just as cost-effective as PVC.

**5. Printing**

Reduce printing and go digital with your booth literature.

Print locally. Supporting local businesses while reducing shipping? It’s a win-win.

Print on at least 50 percent post-consumer recycled paper.
Use Energy Star-rated equipment for audio-visual equipment and monitors.

Power down. Turn off equipment at the end of each day.

Light up your booth with CFLs, LEDs, or other energy-efficient lighting.

Educate your installation and dismantling teams about recycling and donation processes.

Pack in, pack out. Leave no traces on show site.

Join a caravan. If you’re shipping directly to another show, ask Freeman Transportation about joining a caravan to your next show.

Remember to label. Clearly label recyclable leftover material for disposal.

Donate the rest. Ask the Freeman Exhibitors Services desk about local donation programs.

YOU ARE ENTERING A CONTRACT WHICH LIMITS YOUR POSSIBLE RECOVERY IN CASE OF LOSS OR DAMAGE.

The terms and conditions set forth below become a part of the Contract between FREEMAN and you, the EXHIBITOR. Acceptance of said terms and conditions will be construed when any of the following conditions are met:

• THE METHOD OF PAYMENT FORM IS SIGNED; OR
• AN ORDER FOR LABOR, SERVICES AND/OR RENTAL EQUIPMENT IS PLACED BY EXHIBITOR WITH FREEMAN; OR
• WORK IS PERFORMED ON BEHALF OF EXHIBITOR BY LABOR SECURED THROUGH FREEMAN.

DEFINITIONS

For purposes of this Contract, “FREEMAN” or “The Freeman Companies” means Freeman Expositions, LLC, Freeman Expositions, Ltd., Freeman Audio Visual, Inc., Exhibit Surveys, LLC, Freeman Exhibit, Freeman Transportation, FreemanXP, LLC, Stage Rigging, LLC, The Freeman Company, Freeman Electrical, LLC, Freeman Digital Ventures, LLC, and their respective employees, directors, officers, agents, assigns, affiliated companies, and related entities including, but not limited to, any subcontractors FREEMAN may appoint. The term “EXHIBITOR” means the Exhibitor, its employees, agents, representatives, and any Exhibitor Appointed Contractors (“EAC”).

PAYMENT TERMS

Full payment, including any applicable tax, is due in advance at show site. All payments must be in U.S. secure funds and all checks must be drawn on a U.S. bank. Orders received without advance payment or after the deadline date will incur additional charges as indicated on each order form. Payment for Audio Visual services and equipment is due in advance of move-in, unless otherwise agreed in writing with Freeman. All materials and equipment are on a rental basis for the duration of the show or event and remain the property of FREEMAN except where specifically identified as a sale. All rentals (excluding Audio Visual equipment and computers) include delivery, installation, and removal from EXHIBITOR’s booth. Rental prices on Audio Visual equipment and computers do not include la-bor, delivery, electrical services or removal of the equipment from the booth. In case of cancellation of any orders or services by EXHIBITOR, a one-hour “per-per-hour” charge will be applied for all labor orders that are not canceled in writing at least 24 hours prior to the scheduled start time. If Prestige Carpet, Custom-Cut Carpet, Modular Rental Exhibits and any other custom-order items or services have already been provided at the time of cancellation, fees will remain at 100% of the original charge. Audio Visual orders cancelled within 7 days from the show opening date will be charged a one-day rental rate on equipment. On-site cancellation of Audio Visual services will result in a one-day rental charge of equipment and any applicable labor. If the Show or Event is cancelled because of rea-sons beyond FREEMAN’s control, EXHIBITOR remains responsible for all charges for services and equipment provided up to and including the date of cancellation. FREEMAN will not issue refunds to EXHIBITOR of any payments made before the date of cancellation. It is EXHIBITOR’s responsibility to advise the FREEMAN Service Center Representative of problems with any orders, and to check the EXHIBITOR’s invoice for accuracy prior to the close of the Show or Event. If EXHIBITOR is exempt from payment of sales tax, FREEMAN requires an exemption certificate for the State in which the services are to be used. Resale certificates are not valid unless EXHIBITOR is rebilling these charges to its customers. For International EXHIBITORS, FREEMAN requires 100% prepayment of advance orders, and any order or services placed at show site must be paid at the show. For all others, should there be any pre-approved unpaid balance after the close of the show; terms will be net, due and payable in DALLAS, TEXAS upon receipt of invoice. Effective 30 days after invoice date, any unpaid balance will bear a FINANCE CHARGE at the lesser of the maximum rate allowed by applicable law, or 1.5% per month, which is an ANNUAL PERCENTAGE RATE of 18%, and future orders will be on a prepaid basis only. If any finance charge hereunder exceeds the maximum rate allowed by applicable law, the finance charge shall automatically be reduced to the maximum rate allowed, and any excess finance charge received by FREEMAN shall be either applied to reduce the principal unpaid balance or refunded to the payer. If past due invoices or invoice balances are placed with a collection agency or attorney for collection or suit, EXHIBITOR agrees to pay all legal and collection costs. THESE PAYMENT TERMS AND CONDITIONS SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS. In the event of any dispute between the EXHIBITOR and FREEMAN relative to any loss, damage, or claim, such EXHIBITOR shall not be entitled to and shall not withhold payment, or any partial payment, due to FREEMAN for its services, as an offset against the amount of any alleged loss or damage. Any claims against FREEMAN shall be considered a separate transaction, and shall be resolved on its own merits. FREEMAN reserves the right to charge EXHIBITOR for the difference between the EXHIBITOR’s estimate of charges and the actual charges incurred by EXHIBITOR, or for any charges that FREEMAN may be obligated to pay on behalf of EXHIBITOR, including without limitation, any shipping charges. If EXHIBITOR provides a credit card for payment and the credit card transaction is declined, EXHIBITOR hereby authorizes Freeman to process the outstanding balance in multiple smaller increments that total the amount of the outstanding payment obligation. In the event that a THIRD PARTY (AGENT) orders on behalf of the EXHIBITOR and the named THIRD PARTY does not discharge payment of the invoice prior to the last day of the show, charges will revert back to the EXHIBITOR. All invoices are due and payable upon receipt, by either party.

ELECTRICAL

If FREEMAN provides electrical services, claims will not be considered, or adjustments made unless filed in writing, by EXHIBITOR, prior to the close of the event. FREEMAN is not responsible for any damage or loss caused by the loss of power beyond its control and EXHIBITOR agrees to hold FREEMAN, its officers, directors, employees and agents harmless from such power loss. IN NO EVENT SHALL FREEMAN BE LIABLE FOR ANY INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION LOST PROFITS) EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, WHETHER UNDER THEORY OF CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCTS LIABILITY OR OTHERWISE. EXHIBITOR shall indemnify and hold harmless FREEMAN, its officers, directors, employees, and agents from and against any and all claims, liabilities, damages, fines, penalties or costs of whatsoever nature (including reasonable attorneys’ fees) arising out of or in any way connected with EXHIBITOR’S actions or omissions under this Agreement. Please note that electrical services are NOT automatically included in Audio Visual rentals and must be ordered separately from the designated electrical provider.

LABOR UNDER THE SUPERVISION OF EXHIBITOR RESPONSIBILITIES

EXHIBITOR shall be responsible for the performance of labor provided under this option. It is the responsibility of EXHIBITOR to supervise labor secured through FREEMAN in a reasonable manner as to prevent bodily injury and/or property damage and also to direct them to work in a manner that is in compliance with FREEMAN’s Safe Work Rules and/or Federal, State, County and Local ordinances, rules and/or regulations, including but not limited to Show or Facility Management rules and/or regulations. If any labor secured through FREEMAN is conducting overhead work, the Exhibitor is responsible for ensuring that everyone in the area of overhead work is wearing a hard hat. If the Exhibitor does not have its own hard hats, Freeman can assist with obtaining them. It is the responsibility of EXHIBITOR to check in with the Service Desk to pick up labor, and to return to the Service Desk to release labor when the work is completed.

INDEMNIFICATION

EXHIBITOR agrees to indemnify, hold harmless, and defend FREEMAN from and against any and all demands, claims, causes of action, fines, penalties, damages, liabilities, judgments, and expenses (including but not limited to reasonable attorneys’ fees and investigation costs) for bodily injury, including any injury to FREEMAN employees, and/or property damage arising out of work performed by labor provided by FREEMAN but supervised by EXHIBITOR. Further, the EXHIBITOR’S indemnification of FREEMAN includes any and all violations of Federal, State, County or Local ordinances, “Show Regulations and/or Rules” as published and/or set forth by Facility or Show Management, and/or directing labor provided by FREEMAN to work in a manner that violates any of the above rules, regulations, and/or ordinances.

IMPORTANT

CUSTOMER GUIDELINES FOR SUBMITTING GRAPHICS ARTWORK

Our goal is to provide you with the best possible quality graphics for your event or exhibit. You can help us in that effort by providing digital art files using the following guidelines. If you are sending us completed, print-ready files, please pass the following information on to your graphics designer or art department. Artwork must be submitted in the proper resolution and/or file size to produce quality images. Please provide proper color matching information and proofs to ensure accurate color reproduction.

PLEASE PROVIDE THE FOLLOWING WHEN SUBMITTING ART

RASTER ART (photos, logos containing any continuous tone images):
- Art submitted at 1:1 (100%), resolution should be no less than 60 dpi (100 dpi preferred)
- Art submitted at 2:1 (50%), resolution should be no less than 120 dpi (200 dpi preferred)
- Art submitted at 4:1 (25%), resolution should be no less than 240 dpi (400 dpi preferred)

VECTOR ART:
- Logos should be vector and have outlined fonts (if provided as bitmap, please use high-res images)

FONTS and LINKS
- If PMS color matching is required, please use original Pantone + Solid Coated swatches in your artwork. Modifying Pantone names will result in printing default color (CMYK)
- CMYK artwork will be produced "As Is". Our color output is balanced and vibrant.
- Convert RGB art to CMYK if possible.
- If you are sending Certified Color Proofs (Gracol, Swop, Fogra), please provide ICC file information used to print your samples. Best option would be to include ICC chart on your prints.

ARTWORK IN THE STRUCTURE
- Please note that any panels going in the metal frame will hide 1/4" of your art all the way around. If you have a continuous wall where individual panels are divided by metal, use 1.25" spacing in between each panel to account for gaps and the natural flow of the graphics.

ACCEPTABLE FILE SOFTWARE
We are capable of working with both PC and MAC based software, and can accept art created with the ADOBE Creative Suite - Illustrator, InDesign, and Photoshop
- Always provide the following:
  - Native files with fonts and links (zipped)

ACCEPTABLE FILE TYPES and SUPPORT FILES

- EPS file with embedded links and outlined fonts
- INDD file with Packaged supporting links and fonts

PRINT FILES:
- High-res PDF-X/4 (preferred)
- AI with PDF content (choose this option when saving file)
- EPS files with embedded links and outlined fonts

RASTER OR BITMAP ART:
- Photoshop EPS (preferred, use 8-bit preview, Max, Quality JPG compression)
- PSD (make sure font layers are rasterized)
- TIFF, JPG (quality 8 and higher)

Mac users: Use Zip or Stuffit programs when submitting fonts other than OTF (Open Type Fonts)

WAYS TO SEND ARTWORK
- Files below 10 MB can be delivered via email. Larger files may be posted to Freeman’s FTP site. You may get the password and other needed information from your Freeman service representative in order to post files. However, a hard copy proof and backup of the files on CD-Rom/DVD may be required to be sent via overnight delivery in addition to posting the electronic files. Please call (515) 829-4444 for assistance.
OMAHA AREA LABOR JURISDICTIONS

To assist you in planning your participation in the upcoming exhibition, we are certain you will appreciate knowing in advance that union labor will be required for certain aspects of your exhibit handling; we ask that you read the following:

Jurisdiction is covered by IATSE (Stagehands).

Exhibit Install & Dismantle:

Full-time company employees of an exhibiting firm may install and dismantle their own respective company display without the use of union labor. Any outside or additional labor required for installation, dismantle or decorating of displays is to be ordered from Freeman using union labor, or an approved Exhibitor Appointed Contractor (EAC) using union labor. Labor can be ordered in advance by returning the Display Labor Form, or at show site, at the Freeman Service Center. Freeman does not loan out equipment (tools, ladders, etc.) to install or dismantle displays without a labor order.

Material Handling:

Unloading and/or reloading of any and all contracted carriers will be handled exclusively by Freeman using union labor.

Self-unloading exhibitor owned vehicles must first check in with the traffic director and they will be directed to an unloading area. No motorized equipment is allowed. Freeman does not loan out material handling equipment to exhibitors.

All material handling services, other than the self-unloading as described above, are chargeable and invoiced accordingly through Freeman.

Gratuities:

Tipping is expressly prohibited. This includes such practices as giving money, merchandise or other special consideration for services rendered. Any attempt to solicit a gratuity by an employee should be reported immediately to the Exhibit Manager or a Freeman Supervisor.

Fire and Safety:

All exhibitors must comply with the facility and Omaha Fire Marshal rules and regulations. Exhibits are subject to inspection by the Omaha Fire Marshal.

Storage of empty containers in the Exhibit Hall is prohibited. Arrangements must be made with Freeman to store empty crates.

WHAT ARE FREIGHT SERVICES?

As the official service contractor, Freeman is the exclusive provider of freight services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. It should not be confused with the cost to transport your exhibit material to and from the convention or event. You have two options for shipping your advance freight — either to the warehouse or directly to show site.

HOW DO I SHIP TO THE WAREHOUSE?
• We will accept freight beginning 30 days prior to show move-in.
• To check on your freight arrival, call Exhibitor Services at the location listed on the Quick Facts.
• To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Quick Facts. Your freight will still be received after the deadline date, but additional charges will be incurred.
• The warehouse will receive shipments Monday through Friday, except holidays. Refer to the Quick Facts for warehouse hours. No appointment is necessary.
• The warehouse will accept crates, cartons, skids, trunks/cases and carpets/pads. Loose or pad-wrapped material must be sent directly to show site.
• All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
• Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
• Certified weight tickets must accompany all shipments.
• Warehouse freight will be delivered to the booth prior to exhibitor set up.

WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?
• Collect shipments will be returned to the delivery carrier.
• To ensure that your freight does not arrive collect, mark your bill of lading “prepaid.”
• “Prepaid” designates that the transportation charges will be paid by the exhibitor or a third party.

HOW SHOULD I LABEL MY FREIGHT?
• The label should contain the exhibiting company name, the booth number and the name of the event.
• The specific shipping address for either the warehouse or show site is located on the Quick Facts.

HOW DO I ESTIMATE MY MATERIAL HANDLING CHARGES?
• Charges will be based on the weight of your shipment. Each shipment received is billed individually and is subject to the applicable show weight minimum. The shipment weight will be rounded to the next 100 pounds. Each 100 pounds is considered one “cwt.” (one hundred weight). All shipments are subject to reweigh.
• On the Material Handling Order Form, select whether the freight will arrive at the warehouse or be sent directly to show site.
• Next, select the rate for the freight category that best describes your shipment. There are four categories of freight:
  - **Crated:** material that is skidded or is in any type of shipping container that can be unloaded at the dock with no additional handling required.
  - **Special Handling:** material delivered by the carrier in such a manner that it requires additional handling, such as ground unloading, stacked and constricted space unloading, designated piece unloading, loads mixed with pad-wrapped material, loads failing to maintain shipping integrity, and shipments that require additional time, equipment or labor to unload. Federal Express and UPS are included in this category due to their delivery procedures.
**Freight Services**

**Uncrated:** material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting points.

**Carpet and/or Pad Only:** shipments that consist of loose carpet and/or padding only require additional labor and equipment to unload.

- All inbound and outbound shipments are subject to overtime charges if the shipments are received, loaded or unloaded during the overtime hours specified on the Material Handling Order Form. This includes both warehouse and show site shipments.
- Add any late delivery or off-target charges listed on the Material Handling Order Form if the freight will be received after the deadlines listed on the Quick Facts.
- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.

**WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?**

- Pick up “Empty Labels” at the Freeman Service Center. Once the container is completely empty, place a label on each container individually. Labeled empty containers will be picked up periodically and stored in non-accessible storage during the event.
- At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.

**HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?**

- Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

**HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?**

- Each shipment must have a completed Material Handling Agreement in order to ship materials from the show. All pieces must be labeled individually.
- To save time, complete and submit the Outbound Shipping Form in advance, or you may contact the Freeman Service Center at show site for your shipping documents.
- Once we receive your outbound shipping information we will create your Material Handling Agreement and shipping labels. If the shipping information is provided in advance, the Material Handling Agreement will be delivered to your booth with your invoice. Otherwise the Material Handling Agreement and labels will be available for pick up at the Freeman Service Center.

**WHERE DO I GET A FORKLIFT?**

- Forklift orders to install or dismantle your booth after materials are delivered may be ordered in advance or at show site. We recommend that you order in advance to avoid additional charges at show site. Refer to the Rigging Order Form for available equipment.
- Advance and show site orders for equipment and labor will be dispatched once a company representative signs the labor order at the Freeman Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

**DO I NEED INSURANCE?**

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by Freeman are subject to the Terms and Conditions, which can be found in the exhibit service manual or online at www.freeman.com.

- Cranes
- Accessible storage at show site

SPECIAL HANDLING DEFINITIONS

Special handling applies to shipments that are loaded by cubic space and/or packed in such a manner as to require additional labor/handling, such as ground unloading, constricted space unloading, designated piece unloading, or stacked shipments. Also included are shipment integrity, alternate delivery locations, mixed shipments, and shipments without individual bills of lading. Shipments loaded in this manner require additional time, labor, or equipment, to unload, sort and deliver.

What is Ground Loading/Unloading?
Vehicles that are not dock height, preventing the use of loading docks, such as U-hauls, flat bed trailers, double drop trailers, company vehicles with trailers that are not dock level, etc.

What is Constricted Space Loading/Unloading?
Trailer loaded “high and tight” shipments that are not easily accessible. Freight is loaded to full capacity of trailer – top to bottom, side to side. One example of this is freight that is loaded down one side of a trailer that must be bypassed to reach targeted freight.

What is Designated Piece Loading/Unloading?
Drivers that require the loading crew to bring multiple pieces of the freight to the rear of the trailer to select the next piece, having to remove freight from the trailer then reload to fit or the trailer must be loaded in a sequence to ensure all items fit.

What are Stacked Shipments?
Shipments loaded in such a manner requiring multiple items to be removed to ground level for delivery to booth. Stacked or “cubed out” shipments, loose items placed on top of crates and/or pallets constitute special handling.

What is Shipment Integrity?
Shipment integrity involves shipments on a carrier that are intermingled, or delivered in such a manner that additional labor is needed to sort through and separate the various shipments on a truck for delivery to our customers.

What is Alternate Delivery Location?
Alternative delivery location refers to shipments that are delivered by a carrier that requires us to deliver some shipments to different levels in the same building, or to other buildings in the same facility.

What are Mixed Shipments?
Mixed shipments are defined as shipments of mixed crated and uncrated goods, where the percentage of uncrated is minimal and does not warrant the full uncrated rate for the shipment, but does require special handling. Freeman defines special handling for mixed loads as having less than 50% of the volume as uncrated.

What does it mean if I have “No Documentation”?
Shipments arrive from a small package carrier (including, among others, Federal Express, UPS & DHL) without an individual Bill of Lading, requiring additional time, labor and equipment to process.

What is the difference between Crated and Uncrated Shipments?
Crated shipments are those that are packed in any type of shipping container that can be unloaded at the dock with no additional handling required. Such containers include crates, fiber cases, cartons, and properly packed skids. An uncrated shipment is material that is shipped loose or pad-wrapped, and/or unskidded without proper lifting points.

What about carpet only shipments?
Shipments that consist of loose carpet and/or padding only require additional labor and equipment to unload.

FACILITY RULES & REGULATIONS

GENERAL POLICY STATEMENT

It is the responsibility of the Metropolitan Entertainment & Convention Authority (MECA) to operate CHI Health Center Omaha (the “Facility”) in a sound business manner in an effort to maximize both social and economic benefit to the community, and financial stability of the Facility. MECA will promote, solicit, develop, and make reservations for any activity deemed appropriate to the Facility’s objectives, and to qualify all activities requesting utilization of the Facilities. All specific policies, procedures, rules and regulations will be conditioned on, and subject to, these overriding considerations. MECA reserves the right to add to, modify, delete, or otherwise change these policies and procedures from time to time. Such changes will become effective immediately upon their issuance by MECA Management. MECA will make these updated policies and procedures reasonably available and accessible. Licensees may obtain updated versions, upon request, at any time.

1. ALCOHOLIC BEVERAGES

   a) Bringing alcoholic beverages into the Facility, and on the surrounding property, is prohibited other than through MECA’s exclusive Catering and Concession Operators.

   b) MECA reserves the right to confiscate any outside alcoholic beverages brought into the facility for consumption.

   c) MECA reserves the right, at its sole discretion, to suspend alcoholic beverage sales at any time during a licensed event.

   d) Intoxicated patrons will not be admitted into the Facility at any time and are subject to ejection.

   e) Patrons may not exit the Facility with alcoholic beverages.

2. AMERICANS WITH DISABILITIES ACT

   a) The Facility is a public Facility and is subject to Title II of the Americans with Disabilities Act (ADA). The Facility is accessible to disabled patrons, as required by the ADA and applicable regulations.

   b) The Licensee is responsible for making aisles, exhibits, displays, meetings, etc., accessible to qualified individuals with a disability attending the event with respect to setup, location of exhibits on the exhibit floor, paths of travel, and other aspects of the event within the Licensee or one of the Licensee’s exhibitors’ control.

   c) The Licensee must include a notice in the Licensee’s event advertising, and/or publicity releases, stating that disabled patrons should notify the Licensee and MECA at least one week prior to the Licensee’s event should a reasonable accommodation be needed.

   d) MECA will use its best efforts to assist the Licensee in identifying local providers of temporary auxiliary aids and services, although the Licensee will remain ultimately responsible for identifying and contracting with such providers.
e) If the Licensee fails to arrange for a reasonably requested temporary auxiliary aid or service, MECA management shall have the right, but not the obligation, to provide or arrange for such temporary auxiliary aid or service and the Licensee must reimburse MECA the cost of providing and arranging for such temporary auxiliary aid or service as determined by MECA.

3. ANIMALS OR PETS
   a) Except for service animals and animals used as part of a MECA approved exhibit or activity, no animals or pets are permitted in the Facility.
   b) Approved animals in the Facility must be on a leash, within a pen, or under similar control. The Licensee assumes full responsibility for any approved animal.
   c) Additional cleaning required within the Facility or the surrounding areas due to an animal exhibit will be at the expense of the Licensee.

4. AUDIO / VISUAL
   MECA provides a preferred audio/visual contractor for your audio/visual equipment and operator needs. Audio/visual equipment rates are available upon request.

5. CONCESSIONS, CATERING, AND MERCHANDISE
   MECA’s recognized Catering and Concession Operators shall be the exclusive provider of food and beverage service in the Facilities and on the surrounding property. MECA’s Catering and Concession Operators shall retain all revenues received. Any deviation from these exclusive services must be approved in writing by MECA management.

   Food and beverage service includes, but is not limited to, the sale of beverages (alcoholic or otherwise), food items, and non-event related souvenirs, programs, and novelties.

   The Licensee will not be allowed to sell, give away, or distribute samples of any food or beverage items without written permission from the Catering and Concession Operators. Upon agreement of both parties, the Catering and Concession Operators shall issue a Sample Food and Beverage Distribution Authorization Agreement. If an agreement is issued and the approved location for the sampling is within a carpeted area of the facility, the Licensee is responsible for ensuring that the facility carpet is protected (for example, plastic or remnant carpet under the vendor). Additionally, Licensee is responsible for ensuring that all cooking devices meet the regulations outlined below in the HAZARDOUS MATERIALS section.

   The Licensee will not be allowed to sell the rights for food and beverage service or authorize samples within the Facility to a third party without the prior written permission from the Catering and Concession Operators. Food and beverage service includes the sale or sampling of any food or beverage items that, by their nature, lend themselves to consumption on property. If such sales or sampling by a third party is approved, such third party will be required to sign an agreement with the Catering and Concession Operators and provide the required insurance coverage no later than thirty (30) days prior to the start of the event. If permission is given and the approved location for the service and/or sampling is within a carpeted area of the facility, the Licensee is responsible for ensuring that the facility carpet is protected (for example, plastic or remnant carpet under the vendor). Additionally, Licensee is responsible for ensuring that all cooking devices meet the regulations outlined below in the Hazardous Materials section.

   c) Under no circumstances are public passenger elevators to be used for transporting equipment or exhibit materials.

7. EQUIPMENT RENTAL
   a) Rental equipment and rates are available upon request.
   b) All MECA equipment will be operated and set up by authorized MECA personnel.
   c) Tables, chairs, risers, etc., in excess of rental agreement will be made available at applicable rates and inventory limits.
   d) A labor charge will be assessed for any room or area changeover after the initial room or area set-up.

8. EVENT PERSONNEL

   b) All event personnel working in the Facility must display MECA-approved identifying credentials or badge.
   c) Restricted areas of the Facility labeled “Authorized Personnel Only” are restricted to all persons except those authorized by MECA.
   d) Show managers and service contractors are responsible for the conduct of their personnel, exhibitors and subcontractors, and for any damages caused by such personnel while in the Facility. Loud or profane language and disorderly conduct is not permitted at any time. Under no circumstances may exterior door(s) be propped open or altered in any way.

11. FIRE and SAFETY REGULATIONS

a) Floor plans must be submitted to MECA for review in accordance with the date set forth in Exhibit A of the License Agreement. MECA will have them approved by the City of Omaha Fire Inspections Department, if applicable.

b) All floor plans/facility description must clearly indicate a minimum of two (2) freight-free aisles, one running North to South and one running East to West. Freight-free aisles in exhibit hall(s) must be clearly designated.

c) All floor plans must have the following information clearly indicated:

- Name and date(s) of event
- Name of area(s) to be used
- Location of all exits
- Aisle widths with number and dimensions of booths
- Areas that will be carpeted
- Location and dimensions of entrance headers or kiosks
- Registration location and set-up
- Location of booths utilizing natural gas
d) Guidelines for acceptable floor plans are as follows:
   - Aisles must be a minimum of ten (10) feet in width
   - All fire hoses and extinguisher cabinets must be visible at all times
   - All electrical panels must be accessible at all times
   - All permanent concession stand areas in the exhibit halls must have a minimum 30’ x 25’ clearance at all times
   - All points of ingress and egress must have a minimum of twenty (20) feet clear space on all sides
   - Any booths requesting the use of natural gas should be located next to a column where a natural gas hook-up is available.
     • Such sites are subject to inspection by the Omaha Fire Marshal prior to show opening (also see HAZARDOUS MATERIALS section below).
     • MECA reserves the right to deny natural gas connection to booths that are not located next to columns, requiring public aisles to be crossed to make the connection, or displays that are deemed unsafe.

e) No portion of the sidewalks, entries, passageways, doors, aisles, elevators, vestibules, or ways of access to the public utilities of the Facility will be permitted to be obstructed or used for any purpose other than ingress and egress, nor will any windows, ventilators, or lighting fixtures be obstructed.

f) The use of public areas (lobbies, hallways, etc.) for event activities or displays must be approved by MECA. If approved, floor plans of those areas must be submitted for review in accordance with the date set forth in Exhibit A of the License Agreement.

g) MECA personnel will review the proposed plan for general conformance to the License Agreement and MECA Rules and Regulations. Licensee will provide any additional planning information MECA requests for its review of plans. MECA may be required to make changes in Licensee’s proposed plans to attain the safe and orderly operation of the Facility, compliance with the License Agreement and MECA Rules and Regulations, and coordination of the use of common areas by Licensee and other users. The Licensee may not make material changes to its proposed plans submitted to MECA without MECA’s prior written consent. The Licensee shall conduct its event in the Facility in substantial compliance with the plans approved by MECA.

12. FREIGHT OR SHIPMENT OF MATERIALS

a) MECA will not accept any freight shipments prior to the License Agreement move-in/setup date(s), unless approved in writing by MECA. If any freight arrives at MECA managed facilities prior to the show move-in day, the shipment may be refused or transferred to MECA’s preferred shipping company and the shipper will incur storage and delivery fees at their standard charge rates. Contact information for package(s) must be clearly labeled on the exterior of the package(s) as follows:

   CHI Health Center Omaha
   Name of event, date of event
   Phone Number
   C/o Name of Show Manager, Licensee, Service Contractor or Drayage Company
   455 North 10th Street
   Omaha, NE 68102
If this information is not clearly visible, the package(s) may be refused rather than transferred to MECA's preferred shipping company, even if the package(s) has arrived within the dates of the License Agreement.

b) To avoid potential shipment refusal, prior arrangements are to be made with a service contractor or drayage company to handle freight requirements. Any freight arriving at MECA managed facilities on the show move-in day without a service contractor or drayage company specified, will be handled by MECA's preferred shipping company. The shipper will incur handling fees at their standard charge rates.

c) All materials, equipment or freight, sent to the Facility during contracted move-in must be clearly marked to indicate the intended receiver and the name of the event (as shown above in bullet “a”).

d) Registration materials, handout literature, or event-related equipment such as furniture rental, plants, special decorations, etc., should be directed to the attention of the show manager or official service contractor.

e) MECA will not accept C.O.D. deliveries.

f) All materials, equipment and/or freight are to be delivered and removed at the loading dock or event-related entrance, as designated by MECA.

13. GRATUITIES

MECA prohibits its employees from accepting gifts, gratuities, or other favors from parties doing business with MECA. The Licensee and its exhibitors should be aware of this rule and refrain from any such activities.

14. HAZARDOUS MATERIALS

a) Before, during, and after the Licensee’s event, the Licensee and its exhibitors must handle, transport, remove, and dispose of all hazardous materials (including, but not limited to, open flames, gasoline, hazardous waste, medical waste, hazardous, toxic, and/or regulated substances) in a safe, proper, and lawful manner.

b) The Licensee must notify MECA at least 90 days prior to the first day of the License Period if the Licensee, one of its exhibitors, or one of its service contractors intends to bring hazardous materials in, on, or about the Facility during the License Period. The Licensee must also provide to MECA a copy of the applicable Material Safety Data Sheet (MSDS) for such hazardous material. MECA may also require the Licensee to implement a plan for handling any releases or threats of release of such hazardous material in, on, under, or about the Facility.

c) MECA and the City of Omaha Fire Inspections Office must approve the use of any hazardous materials. Examples of these include welding materials, saws (wet and dry), lasers, cooking grease, natural gas, combustible materials such as hay bales, and all heat sources used for cooking and heater demonstrations. Liquid propane is not allowed in the building. The use of butane must be approved in advance by MECA. Appropriate safety shields and/or other protection must be utilized in all cases where sparks, splashes, etc. could cause injury to bystanders. Material-specific fire extinguishers must be present for all hazardous materials.

d) Exhibits with an open flame (fireplace, fire pit, tiki torch, etc.) must order natural gas directly through MECA’s exhibitor services in advance of the show move-in. Exhibits requiring natural gas should be placed at or very near to columns within the exhibit hall (see also Fire and Safety Regulations section above). Exhibitors will be required to have noncombustible, rigid, safety guards in order to isolate the open
flame from other combustible materials and maintain a minimum of a 30" separation between the open flame and the public/bystanders.

e) All cooking devices will be required to have noncombustible, rigid, splash guards in order to isolate the cooking devices from other combustible materials and the public. These splash guards shall be of a noncombustible material approved by MECA in accordance with the Bureau of Fire Prevention. All splash guards shall be strategically placed to protect all draperies, other combustibles, flammable exposures, and the public.

f) All deep-fat fryers, grills and other cooking devices shall be U.L. or F.M. approved and of good commercial quality. All electrical cords to power these devices shall be of commercial grade and in good repair.

g) All exhibitors using the larger style, commercial grade grills and deep-fat fryers shall be equipped with fixed automatic fire protection equipment. These systems shall have been installed, serviced, and tagged as well as maintained by a recognized fire equipment dealer. Examples of equipment requiring this protection: all deep-fat fryers, donut fryers, funnel cake fryers, etc. Failure of any exhibitor to meet the above criteria will result in immediate discontinuation of all cooking operations in that particular exhibitor’s booth.

h) Exhibitors shall be allowed to have a maximum of two 12" X 12" electric skillets for cooking at the back of their booths. Oil depth shall be limited to one eighth of an inch. This type of cooking shall be limited to heating of food products and stir fry type cooking. Each booth with this type of cooking shall be equipped with a highly visible 2A10BC portable fire extinguisher near these cooking devices.

i) It shall be the responsibility of the licensee to meet with the MECA Event Coordinator at a minimum of thirty days (30) prior to the move-in of the event to establish these requirements.
