BMO Centre Standard Vehicle Access

Welcome to BMO Centre,

Below is a quick questionnaire you will need to fill out if you require vehicle access inside the building to move in or out. After you have filled out this form, please return it to your event manager and you will be provided with an answer in a prompt manner. A Voyage Control booking is still required for access to the BMO Centre loading apron.

Is the vehicle part of the show? Display or other. ☐ Yes ☐ No

If yes, please describe vehicle type. (eg.: Car, SUV, mini van, food truck etc.)

Does the delivery include items that cannot be unloaded outside via forklift (e.g.: landscape rocks, large construction material or valuable art) ☐ Yes ☐ No

If yes, please describe item or items and reasoning.

If approved: the vehicles that are used for display (remaining on the show floor) cannot have more than a ¼ tank of gas. Also, the vehicle cannot be propane or natural gas fueled. This will be inspected before entry by BMO security. Vehicles will be denied entry at this time, so be prepared to follow these guidelines.

BMO Centre Special Vehicle Access

Special Vehicle Access denotes access required for Level 2 or 3 of the BMO Centre or any non-standard vehicle into the exhibition halls. This may include but not limited to buses, sea-can's, armored personnel carriers or machinery.

*If you have a specialized vehicle that requires access into the building you will need to submit this form in addition to the BMO Centre Standard Vehicle Access form.

Desired destination within the BMO Centre. (eg.: Level 2- The Exchange, Level 3- Champions Ballroom etc.)

Item Length

Item Width

Item Height

Item Weight

If your item is not a standard vehicle, please describe machinery type. (eg.: Sea-Can, telehandler, front end loader, armored personnel carrier, bus etc.)
